INTERLOCAL AGREEMENT REGARDING EMERGENCY DISPATCHING, COMMUNICATIONS AND OTHER PUBLIC SAFETY SERVICES

WHEREAS, the parties to this agreement are empowered to provide emergency communications and public safety services to the citizens within their respective jurisdictions and may, therefore, pursuant to RCW 39.34.010 et seq., enter into an Interlocal Agreement with one another and with other public agencies to perform such services; and,

WHEREAS, the parties to this agreement have been operating an emergency communications dispatch center and systems capable of providing emergency communications services to law enforcement agencies, fire departments, fire districts and emergency medical services providers within Jefferson County; and,

WHEREAS, the parties to this agreement believe emergency dispatch and communications services as well as other services would be best served by being managed solely through a "JeffCom Administrative Board"; and,

WHEREAS, the parties hereto recognize that it is in the best interests of the citizens within their respective jurisdictions and in the furtherance of the health, safety and welfare of the citizens to have a unified emergency dispatch and communications system having the advantage of economies of scale; and,

WHEREAS, the governing body of each party has resolved, agreed, or ordained that this Interlocal Agreement may be entered into;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is hereby agreed as follows:

I. DEFINITIONS

A. JeffCom: The name of the interlocal administrative agency created by this agreement.

B. The Parties. The parties to this agreement are Jefferson County, the City of Port Townsend, and Jefferson County Fire Protection Districts 1, 2, 3, 4 and 5. They may be collectively referred to herein as "the parties" or individually, as in "each Party" or "a Party".

C. Allocable proportion: The amount of money chargeable to each Party as its share of capital costs and maintenance and operational expenses for the emergency communications system. The allocable proportion is determined by the formula in Appendix A, which by this reference is hereby incorporated into and made a part of this agreement.

D. JeffCom Director: The Board shall appoint a Director who shall serve under the general personnel policy guidelines of the Board. The Board will establish policy for the overall direction of JeffCom through the advice and leadership of the JeffCom Director.

The JeffCom Director shall be responsible for:

- a. The maintenance and operation of the emergency communications and telephone systems.
- b. Hiring, firing, disciplinary actions, and other personnel matters concerning JeffCom's staff.
- c. The accomplishment of directives from the Board. The Director shall attend the meetings of, make regular reports to, and act upon recommendations received from the Board.
- d. Other duties as assigned and consistent with this agreement.

E. Call for Service: A call for service (C.F.S.) is any event or incident resulting in a dispatched call, including field unit initiated activity, including traffic stops by law enforcement officers.

F. Enhanced 9-1-1 Revenue: A source of revenue generated by a telephone tax on a telephone system switched access line or a wireless access line. The parties to this agreement shall dedicate all of said revenue to the maintenance, operation or improvement of eligible items in the Enhanced 9-1-1 system as specified by Washington State E911 Program Office policies.

G. Other Agencies: Any agency or jurisdiction which is not a party to this agreement.

H. Other Revenue Sources: Special levies or monies received by JeffCom directly as a consequence of providing, pursuant to and with JeffCom Board approval, services concomitant to its emergency dispatch and communications system. Provided, that "other revenue sources" shall not include the allocable proportion of any Party or any other entity which has entered into an Interlocal Agreement with JeffCom substantially similar to this one.

I. Criminal Justice Data Communications System - ACCESS: JeffCom is connected to the Washington State Patrol ACCESS system for criminal history information. Because the Advisory Council on Criminal Justice Services and the Washington State Patrol have requested that all participating communications centers, such as Jeff Com, which are terminal users of the Washington State Patrol Law Enforcement Data Communications Systems have certain provisions in their regulations and enabling Interlocal Agreements concerning responsibility for such communication, the following is specifically agreed to:

1. JeffCom, under the guidance of the Sheriff of Jefferson County and the Police Chief of the City of Port Townsend, shall bear full responsibility for ensuring that the law enforcement data communications network and any Criminal History Records Information received by means of such network shall be used solely for the purposes of the due administration of the criminal laws or for the purposes enumerated in RCW 43.43.760(3) and Chapter 314, Laws of 1977, First Ex. Sess., as now or hereafter amended. JeffCom shall establish rules and regulations governing access to, security for,

JeffCom ILA

and operation of the data communications network for any Criminal Justice Records Information received by means of such network.

II. POWER AND AUTHORITY

Pursuant to the authority conferred by RCW chapter 39.34, the parties hereto agree hereby to delegate, grant and confer certain of their municipal powers as it relates to the operations of a 911 communications facility to the administrative agency created by this agreement, referred to herein as JeffCom. JeffCom shall act only through its Administrative Board, which shall set policy for and manage the agency, and through its appointed Director, who shall implement the policies established by such Board.

A. JeffCom Administrative Board:

1. There shall be a JeffCom Administrative Board, (hereinafter called the "Board"), composed of five (5) persons, who shall each serve two year terms, as follows:
 - a. The Sheriff of Jefferson County or his/her designee.
 - b. A City of Port Townsend representative, to be selected by the City.
 - c. A representative of the Jefferson County Fire Commissioner's Association.
 - d. A representative of the Jefferson County Fire Chiefs Association.
 - e. One County Commissioner to represent the citizens and residents of the county, to be appointed by the other County Commissioners.
2. Annually, there shall be at least one Board meeting to which the department heads and at least one elected official from each of JeffCom's Parties are invited.
3. All decisions made by the Board shall be made by majority vote, unless the decision involves one of the following exceptions. For said exceptions, Board decisions shall require a supermajority, either requiring for approval a four to one vote, or a three to one vote if a Board member is absent:
 - a. Decisions involving the budget, acceptance of grants, or finance proposals.
 - b. Any revision to the method of determining a Party's allocable portion of user fees.
 - c. Decisions regarding the hiring or termination of JeffCom's Director.
4. Each jurisdiction, agency or group represented by a Board member, as provided above, shall designate an alternate or designee for its Board member. The names of the Board member and alternate or designee shall be sent to the Director in writing, and shall be updated in writing by each Party whenever the designees are changed. Alternate Board members shall have full power to vote and act as a Board member at all such meetings that such alternate attends in lieu of the regularly designated Board member. Alternate Board members must be a member of the same organization or group as the primary member.

5. A quorum for the Board shall consist of any three (3) members. The Chairperson of the Board shall vote on all issues unless abstaining.
6. The Board shall meet at least quarterly, or so often as necessary, to conduct its business. Annually, at the last meeting of the calendar year, the Board shall elect one of its members as Chairperson and a second as Vice Chairperson to serve in the absence of the Chairperson. The Board shall appoint a secretary who shall keep good and sufficient minutes of its meetings.
7. The Parties do hereby grant, delegate and transfer certain powers and authority to the Administrative Board of JeffCom to manage its affairs. The Board shall have full and sole authority to set policy, evaluate and adjudicate all matters pertaining to the following issues, including but not limited to:
 - a. The annual JeffCom capital and operations budget, funding, cost share allocation or distribution, the JeffCom Enhanced 911 Tax Fund, the JeffCom Enhancement Fund, and the accumulated JeffCom Capital Reserve Fund.
 - b. The full and sole authority for payment of all JeffCom bills, vouchers and payroll.
 - c. Overall governing authority of the emergency dispatch and communications system and related public safety programs.
 - d. Implementation of new programs and discontinuance of existing programs.
 - e. Staffing levels, training standards and personnel issues.
 - f. Evaluation of technical system replacements or upgrades.
 - g. Appeals for the resolution of matters affecting JeffCom operations, staffing requirements, or user agency requirements.
 - h. Employment and termination of the Director of JeffCom and supervision and evaluation of the Director
 - i. Approval of all contracts and to JeffCom is a party or which purport to bind JeffCom contractually.
 - j. The right to establish JeffCom as a not for profit organization
 - k. Any other matter of major policy level importance
8. The Board may provide public safety support services to other agencies. Said agencies, if approved, shall enter into a services contract with JeffCom.

III. PAYMENTS

For emergency communications services for each calendar year subsequent to the date of this agreement, each Party agrees to pay to JeffCom its allocable proportion in equal quarterly installments. The allocable proportion for each calendar year due from each Party is computed as described in Appendix A. Other agencies may be billed for JeffCom services at a rate as determined by the Board.

JeffCom ILA

February 23, 2012

IV. CALLS FOR SERVICE

A. The Board, through the JeffCom Director, shall maintain complete and accurate records regarding the number of each party's C.F.S.'s. If figures regarding C. F. S.'s for an entire year are unavailable for any Party or the entire emergency communications system, then the Board may extrapolate the available figures in order to determine either the yearly C. F. S.'s attributable to any Party or the yearly C. F. S.'s of the entire emergency communications system.

B. If data is not available concerning the C. F. S.'s which are or will be attributable to any Party, the Board shall estimate the C. F. S.'s. The Board, shall, through the JeffCom Director, advise Other agencies, in writing, of charges for use.

V.BUDGET

A. Annually, the JeffCom Administrative Board and Director shall develop a budget which will meet the anticipated maintenance and operations expenses of the emergency dispatch and communications system, facilities and accessories for the coming calendar year. The Board shall instruct the Director to submit copies of the JeffCom preliminary budget to all parties to this agreement for review and comment in accordance with the JeffCom budget calendar, and the Board shall give due consideration to all comments submitted by the parties.

B. The Board shall adopt a final budget no later than the first meeting in September for the following calendar year. Once the budget is approved by the Board, it shall be considered adopted. No increase, decrease, or change to the final budget shall occur without the approval of the Board.

C. In conjunction with the development of the annual budget, the Board will prepare a methodology, based on the formula in Appendix A, for the distribution of JeffCom's operating costs to the parties to this agreement and to other agencies JeffCom is providing service to under contract. Said costs will be distributed proportionally among JeffCom's users as determined by each user's actual usage of JeffCom services as evidenced by the number of C.F.S.'s generated by each member agency. Each year a total count shall be made to determine the number of C.F.S.'s each participating agency generated between July 1st of the year previous to the year in which the budget is being formulated and June 30th of the year in which the budget is being formulated.

D. JeffCom shall maintain a cash reserve equal to ten percent (10%) of its total operations budget and (5%) of its capital budget as it relates to bond indebtedness.

E. Should the operational revenue for a calendar year or portion thereof prove insufficient to cover actual expenses, the Director shall submit the budget shortfall to the Board. To Balance the budget, the Board shall first draw on any available outside revenue, and if none is available, JeffCom's cash reserves shall be used to cover the shortfall. Should JeffCom cash reserves be insufficient to meet the shortfall, all Parties shall be assessed to provide the necessary cash to meet the shortfall. The currently applicable allocation formula shall be used to determine the

JeffCom ILA

allocable shares for each Party. If JeffCom's cash reserves are depleted below the minimum level said reserves shall be replenished as part of the next annual JeffCom budget.

F. Should the revenue for a calendar year or portion thereof be greater than actual expenditures the Board shall determine the disposition thereof on a fair and equitable basis.

G. JeffCom may accept gifts, grants, or loans of money, equipment, or services from any lawful source. JeffCom shall also cooperate in all ways with local, state, and federal government agencies and any private funding sources to maximize the use of grants or gifts for equipment and operations.

H. The JeffCom Director shall provide periodic budgetary status reports to the Board.

I. The money collected from all telecommunications, wireless and cellular phone company taxes shall be sent directly for deposit each year. The Director shall project a budget of the anticipated amount of money that will be received. This budget, along with a plan for system and/or capital upgrades, shall be presented to the Board.

J. All JeffCom monies, grants, tax receipts and interest earned shall remain in funds that are separate from, and not commingled with, other funds held on account by Jefferson County as treasurer for JeffCom, and be available for future use as determined by the Board.

VII. MODIFICATIONS:

This agreement may only be modified should the governing body of each party resolve, agree, or ordain that this Interlocal Agreement may be modified and by signing an addendum to this agreement, with the exception of article X, Term.

VIII. EQUIPMENT:

A. JeffCom shall own and maintain all equipment and assets as provided in Exhibit 1, which is its inventory at the commencement of this agreement, and shall maintain an updated inventory thereafter. This includes all office furniture as well as office, radio, data, telephone and computer equipment, etc. JeffCom shall own all future equipment and assets it acquires for any reason including but not limited to expansion of operations, and including any remote radio equipment deemed necessary to serve Parties.

B. Each Party hereto shall be individually responsible for the provision of equipment for communicating with Jeff Com or between their personnel. Each Party shall retain the responsibility and authority for its operational departments and for such equipment and services as required at its place of operations to connect to JeffCom's operations. Interconnecting equipment may or may not be included in JeffCom's budget, as the Board shall determine. Each party shall be responsible for purchasing, maintaining, and repairing their own base, mobile and JeffCom ILA

portable communications equipment including pagers and computers unless provided for by separate agreement with JeffCom.

IX. ADMISSION OF NEW PARTIES:

Public Safety entities that are not Parties under this agreement may be added to this agreement as Parties upon meeting any terms and conditions as determined by the Board.

X. TERM:

A. This Interlocal Agreement shall be in full force and effect 90 days after its execution by the parties to this agreement and its filing pursuant to Section XIV.

B. This agreement shall terminate upon its replacement by another interlocal or termination by the parties. The parties agree to review the terms and conditions of this Agreement on or before December 31, 2017 and every five years thereafter, at which time the Parties shall review the operation of JeffCom under this Agreement and adopt by motion findings on the need for any amendments thereto.

XI. WITHDRAWAL AND TERMINATION:

A. Except as otherwise specifically provided herein, any party to this agreement may withdraw from this Agreement upon at least one (1) year's written notice to the Board. Said termination notice must be received by June 30 of the year prior to termination to be effective on July 1 of the following year. The Withdrawing Party or Parties shall, prior to the effective date of its withdrawal, pay to JeffCom such Party's allocable share of obligations or costs incurred by JeffCom through the date established for the Party's withdrawal. Nothing shall prevent negotiation of other terms with respect to a Party's withdrawal.

B. All equipment purchased or acquired by JeffCom and used in common for JeffCom purposes shall be retained by JeffCom upon the withdrawal of any party to this agreement. Provided, however, if this agreement is terminated and JeffCom is dissolved, then disposition of those assets or proceeds of those assets (in the event that said assets must be sold because they cannot be partitioned) shall be accomplished on a prorated basis to be agreed upon by the parties. FCC licenses held by JeffCom shall be transferred to the former member agencies which held the license prior to this Agreement.

C. JeffCom acknowledges that as the date of this agreement it has no ownership interest in the real property at 81 Elkins Rd.

XII. MERGER/ENTIRE AGREEMENT:

This Interlocal Agreement, including Appendix A and Exhibit 1, merges and supersedes all prior negotiations, representations and oral or written agreements between the parties hereto relating to subject matter hereof and constitutes the entire Interlocal Agreement between the parties.

XIII. SEVERABILITY:

If any provision of this Agreement or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Agreement, which can be given effect without the invalid provision or application, and to this end the provisions of the Agreement are declared to be severable.

XIV. FILING:

As provided by RCW 39.34.040, this agreement shall be filed prior to its entry in force with various entities as required by law. Alternatively, this agreement may be listed by subject on the web site of one or more of the Parties, or JeffCom's web site, prior to its entry in force, in order to accomplish proper filing, as allowed by such statute.

XV. EXECUTION OF AGREEMENT/COUNTERPARTS:

Each party to this agreement may bind itself with all other parties to this agreement by signing a duplicate original (counterpart) of this agreement.. It is understood that such execution shall not require that one original agreement be signed by all parties to this agreement, but that there will be several duplicate originals (counterparts) signed by the parties to this agreement. The purpose of this provision is to facilitate the signing of the agreement and to avoid undue delay in the execution of the agreement. This agreement, however, shall be executed on behalf of each member by its authorized representative and pursuant to the appropriate motion, resolution or ordinance of each local government or other entity as the case may be. Each party to this agreement shall be bound to it as of the date it is signed by that member.

XVI. INDEMNITY AGREEMENT:

A. Each Party agrees to defend, indemnify and to hold harmless JeffCom, and other Parties, from all claims, loss or damage, including costs and reasonable attorney fees, resulting from the Party's sole negligence and from actions or omissions that are solely attributable to any employee, official, or agent of such Party, including but not limited to the loss or damage of any nature arising from provision of law enforcement, fire, or emergency medical services.

B. In addition to and notwithstanding the foregoing, JeffCom is solely responsible for any liability or claim of liability which arises out of the exercise or alleged exercise of authority by any employees or staff members, including the director, of JeffCom, and shall defend, indemnify and hold harmless the Parties from all claims, loss or damage, including costs and reasonable attorney fees, sustained by any person or property resulting from the acts or omissions of

JeffCom, its employees, officers, agents, or volunteers, in connection with the performance of this Agreement.

XVII. NO PARTNERSHIP:

It is understood and agreed by the parties that nothing within this Agreement shall be construed as creating or constituting a partnership between the parties.

XVIII. NO THIRD PARTY BENEFICIARIES:

This Agreement is entered into for the benefit of the parties to this Agreement only and shall confer no benefits, direct or implied, on any third persons or entities.

XIX. EFFECTIVE DATE:

This Interlocal Agreement shall be effective 90 days after the date of filing under section XIV.

XX. DISPUTE RESOLUTION:

If any party is aggrieved by any motion or action of the Board a written grievance may be filed with the Executive Director within 14 days of the occurrence, and the implementation of the motion or action shall be stayed until resolved as described herein. Any such grievances should be resolved as promptly and amicably as reasonably practicable, by conciliation between the Grievant and the Board. If such conciliation is not successful or the grievance is not abandoned within 15 business days, the matter shall proceed to mediation with one disinterested mediator chosen jointly by the parties, and the cost of the mediator shall be borne by the grievant. If such mediation is not successful within 25 business days, then arbitration before one disinterested arbitrator shall take place. The arbitrator may be jointly agreed to, or chosen from a list provided by the American Arbitration Association or other jointly acceptable dispute resolution firm or agency. The non-prevailing party in arbitration shall pay all of the arbitrator's fees and charges. The arbitrator shall be empowered to determine the "prevailing party" if any. If neither party is deemed to be the prevailing party then each party shall bear its own portion of the arbitrator's fees and charges. In any event each party involved in the dispute resolution shall bear their own attorneys fees and other costs. All time periods called for in the sections may be extended by mutual written agreement.

APPENDIX A

- The allocable proportion shall be computed as follows:

After formulating the budget for JeffCom, all outside revenue from taxes, grants, contracts for service and other sources shall be deducted from the total. The resulting balance shall be distributed proportionally among JeffCom's members as determined by each member's actual usage of JeffCom services as evidenced by the number of Calls for Service (C.F.S.) generated by each member agency. Each year a total count shall be made to determine the number of C.F.S.'s each participating agency generated between July 1st of the year previous to the year in which the budget is being formulated and June 30th of the year in which the budget is being formulated for calculating the allocable proportion for each member for the following calendar year.
